OCTOBER/NOVEMBER '85

HMS Cavalier visited • Changing tack • Battle of the Yellow Sea • RNLB Solomon Brown • HMS Hardy reviewed • Marine Miniatures • Unimat I and Playmat • Electric World Champs • Art of Scale • USS Missouri reviewed • Selecting a sub

DECEMBER/JANUARY '86

Tirpitz described • Differential throttles • Scale steering introduced • HMS Penelope plan • Supertanker Simulator • Denmark reviewed • Cosmic Wind reviewed • Keeping water in the right places

FEBRUARY/MARCH '86

Changing Tack • RC Yachts • Pacific Battleships • Iowa, Yamato • Broadside • Asashio Destroyer conversion • Free Sailing • Straight Runners • Card Models • How to build • The Yachting King Charles • Novorossiysk Soviet A/C described • Up Scope • Submarine Ballast • Torpedo Los • Self propelled torpedos • Brian Powell models • Marine Miniatures • David Vanner • Naval Ordnance Museum • Multichat • Powerboat Clinic • Chandlery

APRIL/MAY '86

HMS Amethyst review • HMS Leander reviewed • Mediterranean action • Wooden yachts • Introducing steam • Nuremberg '86 • HMS Challenger Museum Model • Avoncraft Skippy • More on Ballast

JUNE/JULY '86

Improve your starts • Sailing USA • Battery maintenance • Eighth Emergency Flotilla • Japanese Cruisers • HMS Verulam kit • Twin cylinder steam engines

AUGUST/SEPTEMBER '86

USS Enterprise Kit • HMS Belfast visited • SS Melanie 11 reviewed • Improve your starts • Challenger scratch built 4 • Portofino sport boat • Motor suppression • Eighth Emergency Flotilla Pt 2 • Build your own steam engine • Tuned pipes

OCTOBER/NOVEMBER '86

Improve your starts • 86 World Yacht Champs • Bassett/Lowke Boats • Radio Maintenance • US Army Tugs • Russian World Champs • Harpoon Missile System • Make a boiler • Greek fighting ships • HMS Exmouth conversion • Navigator RC

DECEMBER '86/JANUARY '87

Navigator RIC System • Model Wobble – Ship stability • Changing Tack – Cedarclub • Broadside – WW2 convoys • Akagi Japanese a/carrier • MPBA 86 Nats • Fairmile D Feature • John Lambert • LOSIM I Plan Feature • Up Scope • Moving planes • HFM 590 Test • Basic Plastics • Kit Construction • Bookworm • Chandlery • Modern Naval Weapons 4.5" gun

FEBRUARY/MARCH '87

Regatta course comments • Steam superheaters • Midwest Lobster Boat • Kirov class cruisers • Fairmile D Pt 2 • Modelling Kaga • Scratchbuilding • Ballast blowing systems • TBD 39 tested • Seacat described

APRIL/MAY '87

HMS Ajax reviewed • Submarine pumps • Phalanx described • Boiler

burners • Lilla Dan • X•S I Midget subs • USS Olympia visited • Handling guns • Aeronaut Torben • Shu'ai Dhaw design

JUNE/JULY '87

New Jersey examined • Billing USCG reviewed • Round Table plans • Sir Kay reviewed • Modern Navy Pt 1 • Dean's USS Kidd on test • Reversing gearboxes • Hydroplane operation • Exocet described • Vigilant 11 tested

AUGUST/SEPTEMBER '87

Dean's Kelly tested • Modern Navy Pt 2 • Water pumps for steamers • Viking 540 reviewed • Vane yachts • Scale sail • Modern Oerlikons • Billing's African Queen • U•Class subs • MPBA regatta guidelines • Dean's Corvette tested

OCTOBER/NOVEMBER 87

U class subs- Dean's Marine Pinnacle - Scale Sail Pt2 - Multi Chat - Up Scope - Caldercraft Cumbrae - Vosper 71.5ft MTB - Broadside - Scale Nationals - Steam Lines - Modern Navy - Naval Weapons OTO Melara 76/62 - Sail free - Bookworm - Chandlery.

DECEMBER/JANUARY '88

Casting resin guns • Ryhope reviewed • Modern RN Subs • Fairmile D model design • Fairmile B described • Dean's Julie M • Aeropicolla Nonsuch reviewed £1.25

FEBRUARY/MARCH '88

Converting Matchbox's Corvette • River Class MSF Plan • SLEC Streaker reviewed • HMS Battlesnake described • Cigarette offshore racer design • FAA Aircraft • Wooden decks

APRIL/MAY '88

Harmony brig Pt.1 • Caldercraft Attacker reviewed • Betsy Bev tug design • Sub torpedoes • RFA described Pt.1 • First steps in GRP • Wartime Vospers • Vedico Barracuda tested • Yacht hull design • Earls Court & Nuremberg '88

JUNE/JULY '88

Harmony brig. Pt. 2 • Easy plugs for GRP • STWS torpedo tubes • Wartime Vospers Pt. 2 • Arkit Gulnara reviewed • R/C semi-scale destroyer design • USS Bostock • WWI wargaming • RFA described Pt.2

AUGUST/SEPTEMBER '88

Series 600 Will Everard reviewed • Problems with Perkasa • USS Intrepid visited • RC care • WWI wargaming • 26ft Gato • Sub electronics • HDML described • Tamiya's Tirpitz r/c'ed • Plastic kit destroyers

OCTOBER 1988

Submarine museum • Empire Brunel reviewed • Quad .50 • A Nationals • Neptun and Gamock • Trojan tug design • Steam Workshop introduced • HMS Exeter modelled • Lesro Magnum reviewed • Breda 40L70 • Graf Spee and Jackel in plastic

NOVEMBER 1988

Rolls Royce 40mm gun • MPBA Scale Nationals • Krivak class described • Wanderer 111 trawler detailed AH Designs 1/4 scale dingy reviewed • Elco 70ft PT Boats drawn • OPS 15 Marine tested • Modelling Nelson in 1927 • RN camouflage colour

DECEMBER 1988

Radar Decoy Launchers • USS Forrestal visited • U•boat modelled • Woodlark Steam Launch • Ships in bottles • Building a towing hulk • RN Camouflage 43 46 • OPV to 1/72 scale • US Midwest regionals

JANUARY 1989

Dean's Marine Helen reviewed • German Cruiser camouflage • 40mm USN gun described • 103ft FPB detailed • Workshop • running gear and linkages • Minotaur Admiral's Barge design • 24 de Mayo described • 4in. Mk IX on CPI mounting • Police launch photographed

FEBRUARY 1989

Norderney/Mayfly conversion • D.I.Y. electronic r/c switchers • Tirpitz camouflage described • Simple submarine • Swift PCF Boats detailed • Guns of the Coastal Forces • Workshop • bilge keels, BEC and ballast • Traditions behind Ships Badges

MARCH 1989

Assault ship HMS Intrepid • Earls Court 1989 • The 1988 IPMS Nationals Workshop • working layouts, speed boards and elevating guns • Inter Nos 11 trawler described • D.I.Y. variable pitch prop • Dark Class FPB described • Billing Boats St Canute reviewed • German mines described

APRIL 1989

Resurgam, real and model • Engineering threads described • Spinnakers Part 3 • KGV class camouflage • Nuremberg '89 • Halmatic 65 plan feature • Bangor class minesweepers • Lesro Sportsman 2 reviewed • Workshop • mounting motors and moving turrets

MAY 1989

Screws and bolts • C.F. Minelaying Gear • RIC Clinic • basics • Sail trim detailed • Tamiya's KGV & POW • Billing FD10 reviewed • Motor testing described • HMS Onslow design • Yacht Joys – sailing novice news • The PBR in Vietnam • Workshop • fitting decks and finding colours OTOMat described • San Diego visited

JUNE 1989

Launching trolley described • Simple steam engine design • Electronic audio amplifier • 1/1200 super detailing techniques Workshop • working with plastic card • Constance Bowater model design • EL.CO 77ft PT Boats described • Sandown Symposium 1989 • RIC clinic • batteries and wiring • Modelling HMS Hood in 1920

JULY 1989

MEKO • Germany's modular warship • Robbe Wetbike reviewed • Signal Goalkeeper CIWS • PR '89 • Hemsworth • Changing Tack • fitting a keel • Yacht hulls and rigs classified • SD 14 card model • Workshop – painting and plans • Steam Workshop – building the Brue boiler • RIC Clinic • evaluating r/c sets • Project 12j modelled in plastic • Diesel engine sound generator

AUGUST 1989

HFM Deep Dive VI reviewed • PR '89 Norfolk & Norwich • RIC Clinic Installations • Workshop • superstructures and stoppers • Robbe Atlantis review • Steam workshop • cutting tools • Frans•W plans feature • Pt. 1 • Norfolk and Norwich Steam Rally • SD•14 Pt. 2 • Broadside • Beira patrol

SEPTEMBER 1989

Caldercraft's Brannaren on test • Workshop – silicone rubber moulds • Record breaker – model VAC2 • UK Modellex '89 • Frans•W Pt. 2 • British Columbia Ferries • Steam Workshop – Anvil engine • Plank on Frame hulls • PR '89 – Hereford & Sheffield • Baku described

OCTOBER 1989

Workshop • resin castings • A Nationals Report • Narrowboat models • Novorossiysk model design • PR '89 • Potteries & Grimsby • Parma Hydro reviewed • Frans•W Pt.3

NOVEMBER 1989

Bathurst class AMS described • Boiler testing • Scottish Nationals • Scale Nationals • A visit to HMS Warrior

Italian battleship camouflage • PR '89 • Eastbourne • Andromeda 11 trawler detail Workshop • forming cones • D530B gun described

DECEMBER 1989

Vietnam river monitor detailed • Workshop – preparing fittings • Merch•yr•Afon Launch reviewed • Up Scope hydraulic control linkages • XSV Loyal Mediator photo feature • Steam Workshop • pressure pump • Conservancy plan feature • Sea Dart kit review • Modern Italian Navy
